MEMO ENDORSED

re: Ehrlich v. Gatta
SDNY # 07 Civ. 11597 (SCR)

Dear Judge Robinson:

I represent plaintiff in the above action brought under the Americans With Disabilities Act, and respectfully request additional time to respond to defendants' Rule 12(c) motion to dismiss. My opposition papers were due some time ago. I foolishly requested only one week to respond, have been occupied with certain personal matters, and lost some work to software problems. Please excuse my delay.

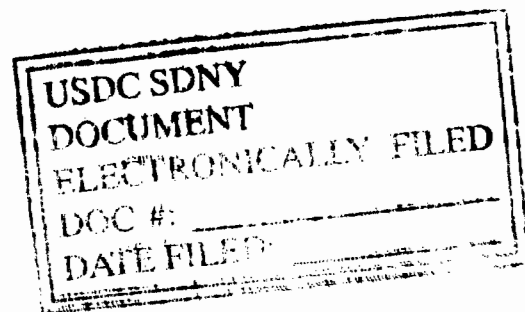

I have been unable to obtain opposing counsel's consent to an adjournment. Over the past two or three weeks, I telephoned him twice and left voicemail messages about it, but received no response.

I respectfully request that the court extend my time to respond to the defendants' motion until Thursday, July 24.

Respectfully submitted,

William Barish (WB 6105)
